EPA is committed to working closely with response agencies and state and local officials to ensure the safety of citizens, respond to concerns and to evaluate impact to water contaminated by the Gold King Mine Release. EPA is sharing information as quickly as possible with the public as experts work to evaluate any effects the spill may have on drinking water, public health, agriculture, fish and wildlife. Please see our website for the latest information: <http://www2.epa.gov/goldkingmine>  
Regular updates will be posted as they are available.  
EPA Hotline: 844-607-9700

Comments: I work as a salesman for an industrial and environmental cleaning company. We have resources and are capable of assisting in the clean up. We have experience with water contamination cleanup. We would love to help resolve this issue and help our community. If any extra laborers or companies are needed Please give us a call at [Personal Phone/Ex. 6] or email me at the provided address .
